Since 2020, Fish Union has evolved and reinvented itself over and over, from selling fish from a stall at the back of a pub, to our fishmonger, the addition of tables and finally a full shift to the restaurant we are today.

And we are incredibly aware that all of this has been possible because of our guests. Those who came when the sun shone, and those who came on the rainy evenings to keep us company.

So here's to the next adventure...cheers to you!

Humbly, Fish Union
